### **Chancellor's Message**

At Rayat-Bahra Group of Institutions, we believe that every student has the potential and talent to shine despite the ever-increasing standards of excellence in a fiercely competitive scenario. For this peak-like achievement, the students need to be mentored right, which includes not only quality teaching but also moral and emotional nurturing. I take the utmost delight in sharing that we cover all aspects of human personality to nurture the brilliance fit for performance in the globalized

21st century.

As a center of excellence, Rayat Bahra Group of Institutions has dynamically attuned itself to the needs of the fast-changing world. Our faculty has played a stellar role of catalysts in carrying out a transformational education experience. The students here have never been passive learners rather they have adapted themselves as active performers. Enhanced engagement and supportive learning have been the highlights of the professional education here. The results of this rigorously carved out academic atmosphere are not far to see. Rayat-Bahra Group of Institutions towers high with thousands of its alumni performing well in all walks of life across the world.

**As you choose and chase your aspirations with us, I wish you success and Lord's bountiful blessings.**

**S. Gurvinder Singh Bahra**

Chancellor

### **From the Vice Chancellors Desk**

The Rayat Bahra University has pioneered significant developments to achieve its excellent reputation today. We, at the Rayat Bara University provide an innovative and high quality education to the students to equip them to meet the challenges of the 21st century. The three pillars of education philosophy at RBU are Inter- disciplinary approach to learning; the industry relevant research based pedagogy and global orientation.

The Rayat Bara University is committed to create a campus environment that supports and promotes superior research and innovative scholarly pursuits. We are committed to empower our students with knowledge, skills and vision to meet the challenges and opportunities of a rapidly changing world by providing quality education using state of the art technology and Infrastructure. Our faculty members have a record both of quality instructional experience and demonstrated research quality.

I intently believe that your stay in the Rayat Bahra University will be an exciting learning experience of a lifetime leaving your imprint on your alma matter. We shall value your presence in our University. I wish the students and parents to carefully read the Prospectus and become aware of our efforts to make the Rayat Bahra University, Mohali a destination for higher education across the world.

Vice-Chancellor

**Prof. Dr. Daljit Singh**

## **About Rayat Bahra Group**

Rayat Bahra Group of Institutes (RBGI) is a leading private education group in northern India. RBGI was established in the year 2001 and since then it has grown in leaps and bound to become the most trust worthy household name in a very short span of time. The group has emerged as a premier destination for Higher and Professional education while offering various UG, PG and Doctorate courses under its institutes of excellence. These institutes are well known for their brilliant academic culture, and research. The Group has gradually been able to widen its foot prints Nationally and Internationally.

## **About Rayat Bahra University**

RBU is established under Punjab act no. 16 of 2014 vide notification no. 17-leg/2014 dated 13th August 2014 and notified by UGC under section 22 of the UGC act 1956, is empowered to award degree vide letter No. 8-23/2014 (CPP-I/PU Dated 26th Sept 2014 by University Grant Commission (UGC). Just within the vicinity of city beautiful Chandigarh, and well within the reach of the facilities of the city stands the thriving campus of Rayat Bahra University (RBU). The institution has emerged to a position of pre- eminence in the region as well as in the country due to its high academic standards and well-entrenched research and development area. The university has Engineering, Pharmaceutical Sciences, Dentistry, Management, Hospitality, Agriculture, Nursing and Law Schools of Excellence. The university offers a choice based flexible learning system, enabling interdisciplinary approach for learners to learn at their own pace and choose electives from other available courses as well as to take up some additional/value-added courses to increase their skills/employability. ## INSTITUTIONAL VALUES

The University strives towards providing an inclusive environment wherein all students feel nurtured academically and develop a sense of belongingness regardless of their background, identity, learning preferences or education. The teachers and students (from all over India) work together for promoting intercultural and cross-cultural understanding with an intersectional approach to exploring issues such as class, language, sexual orientation, gender, race and ethnicity.

Institution provides an inclusive environment for everyone with tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities. Different sports and cultural activities organized inside the college promote harmony towards each other.

Commemorative days like Women's day, Yoga day, Cancer day, AIIDS along with many regional festivals. This establishes positive interaction among people of different racial and cultural backgrounds. There are different grievance redressal cells in the institute like Student grievance redressal cell, Women grievance redressal cell which deal with grievances without considering anyone's racial or cultural background. Institute has code of ethics for students and a separate code of ethics for teachers and other employees which has to be followed by each one of them irrespective of their cultural, regional, linguistic, communal socioeconomic and other diversities.

International Achievements

SAE Super Mileage Event, Michigan in 2008  
Going beyond classroom learning, the students dared to venture on the extremes of automotive engineering. Their prototype achieved a stupendous mileage of 250 Km/litre. The effort bagged the first position in Asia and a 13<sup>th</sup> placing in the world.

Formula SAE in 2009  
Formula SAE is a student design competition organized by SAE International for designing the Formula car for collegiate students in California (US). The competition was started in 1978. In year 2009, the students of Rayat-Bahra presented a car in the competition that clocked an astounding speed of 260 km/hr. The achievement got the students first position in Asia and 20<sup>th</sup> birth in the world.

The Great Moonbuggy Race in 2012  
The NASA Human Exploration Rover Challenge, prior to 2014 referred to as the Great Moonbuggy Race, is an annual competition for college students to design, build, and race human-powered, collapsible vehicles over simulated lunar terrain. In 2012 edition held at Alabama (US) of the competition the prototype of Rayat-Bahra won the first position in Asia and were adjudged 12<sup>th</sup> in the world.

SAE Baja Off-Road Vehicle Race in 2014  
This competition challenges student teams to design, plan and manufacture a safe off-road vehicle that can maneuver a variety of obstacles in a rugged environment. In the prestigious event held in University of Texas, El Paso (US), in which 100 collegiate teams from around the participated, Rayat-Bahra students bagged first position in Asia.

In these competitions, Rayat-Bahra has earned the distinction of being 1st in Asia for the fourth time.

# ACTIVITIES

## PLACEMENTS

**Dream team for dream jobs**

The central team headquartered in Chandigarh comprises more than 15 professionals. Led by the Joint Managing Director, the innovative and dedicated staff has made the possibility of gainful employment a reality for almost every student. Additional regional teams are located in Delhi, Mumbai, Chennai, Pune and Bengaluru.

**Job placement strategy**

To foster and strengthen a mutually beneficial relationship with the corporate sector, Rayat-Bahra University has put in place a long-term strategy for job placement and career advancement. Regular job fests are organized where prestigious companies interact with students and interview them for high-flying jobs. Students are also exposed to the real work environment of various industries and they obtain hands-on training in modern techniques.

**Hands-on training**

The Rayat-Bahra University has introduced several new age programs, technical training to integrate practical work with the engineering and management curriculum to enhance employability skills of our talented students. We collaborate with Google, Oracle, Apple, IBM, BSE (Bombay Stock Exchange) and many more for hands-on training. The university has thus revolutionized professional education in the country. The Rayat-Bahra Skill Development Center (RBSDC), the only one of its kind in India, has been set up with industry collaboration.

**Success route**

Our dedicated placement team is committed to provide gainful employment to our brilliant students. The target for the next year is 40% students in all streams for higher pay bands and at least 10% students in the pay band of more than Rs 10 lakh.

**375+ COMPANIES Visited Rayat-Bahra Group for Placements**

Companies visited include: Google, Alaris, Oracle, Capgemini, Unilever, AEG, L&T, Reliance, Airtel, Aditya Birla Group, Tech Mahindra, John Deere, Bharat Electronics etc.

Companies visited include: Abbott Health Care, Zinconstar, Micro, San Pharma, Dabur, Pidilite, Cipla, Biocon, Apollo Health Care, IIS Infotech, Krosfitt, Niram Labs etc.

**Record per excellence**

With an aim to enhance employability skills of our students, the Rayat-Bahra University has launched new-age programmes for engineering and management students in collaboration with Google, Oracle, Apple, IBM, BSE (Bombay Stock Exchange) and many more. In collaboration with the industry, the University has brought a paradigm shift in the way professional education is imparted in the country. The Rayat Bahra Skill Development Center (RBSDC), the only one of its kind in India, has been set up with industry collaboration.

**The road ahead**

The placement team has been working consistently and tirelessly. The target for the next year is 40% students in all streams for higher pay bands and at least 10% students in the pay band of more than Rs 10 lakh.
